Agenda Items and Resolutions

Item 1: Confirmation of Previous Meeting Minutes

Discussion: The minutes of the third Board of Studies meeting were circulated to all members in advance. The chairman invited suggestions or corrections, if any. No modifications were proposed.

Resolution: The minutes were confirmed unanimously without any modifications.

Item 2: Proposed AEDP UG Curriculum First Year structure adapting NEP guidelines

Discussion: The following suggestions were made by the members of the BoS for consideration and integration into the curriculum: Dr. Vahida Attar and Dr. Manish Potey suggested that it's better to have the course Software Engineering in further semesters rather than first semester. Dr. Manish Potey discussed about the Internet of Things Theory contents for practical implementations.

Resolution:

The revised curriculum structure and contents for FY B.Tech (Semesters I & II) for AY 2025–26 were unanimously approved. The suggestion to include Software Engineering in later semesters for upcoming academic years has been forwarded for consideration.

The BoS chairperson informed that the probable date of the next meeting would be communicated soon. The meeting concluded with formal vote of thanks.
