

Mr. Mohammad Salim M. Khan Plot No. L1-79, S. N. Park, Madina Nagar, Behind Madina Lawns, Shri Ravishankar Marg, Wadala Shivar, Nashik -422006 Mobile No: 9689477769 E-mail: salim.khan@matoshri.edu.i , salim.khan1686@gmail.com		
Professional Objective		
Intend to build a career in a professional environment with commitment and dedication which will enrich my competence and potential. Willing to work as a key player in challenging & creative environment. Ready to dedicate my time and energy for the betterment of the institute.		
Academic Details		
Master of Engineering in Computer Science and Engineering from Everest Group of Institution, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad. Bachelor of Engineering in Information Technology from K.K. Wagh Institute of Engineering & Research Centre, Nashik, Pune University.		
Employment Details		
Teaching Experience:	03 years.	
Current Designation	Assistant Professor in Computer Engineering Department.	
Name of Employer	Matoshri College of Engineering and Research Center, Nashik	
Date of Joining: (current institute)	16 July 2022	
Research Interest	Machine Learning	
Association with Professional Societies	Member of International Association of Engineers(Member ID: 319972)	
AICTE FDPs/ Certificate Courses		
NPTEL	<ul style="list-style-type: none"> Successfully completed NPTEL online certification- AICTE approved FDP titled "Programming, Data Structures And Algorithms Using Python" 	

<p>AICTE (ATAL) FDPs</p>	<ul style="list-style-type: none"> • Participated & completed successfully in the five days online FDP on "Quantum Computing" organized by AICTE Training & Learning (ATAL) Academy, New Delhi during 03rd-07th January 2022. • Participated & completed successfully in the five days online FDP on "Internet of Things: Concepts and Implementation" organized by AICTE Training & Learning (ATAL) Academy, New Delhi during 13th-17th December 2021. • Participated & completed successfully in the five days online FDP approved by AICTE-ISTE on "Recent Trends in Artificial Intelligence" organized by Jhulelal Institute of Technology, Nagpur during 07th-13th December 2021. • Participated & completed successfully in the five days online FDP on "Artificial Intelligence & Machine Learning" organized by AICTE Training & Learning (ATAL) Academy, New Delhi during 22nd - 26th November 2021.
<p>Conferences/ Workshop/ Seminars/ STTP / FDP attended:</p>	<ul style="list-style-type: none"> • Attended Workshop on "Machine Learning using Python" from 13th- 17th October 2022 organized by AI & ML Department, ISB & M College of Engineering, Pune. • Participated in the one week national level FDP on "Recent Trends in Artificial Intelligence, IoT and Data Analytics" technically sponsored by IEEE Bombay Section, IETE Pune Center and supported by IEEE SB, IETE ISF PCCOER, Ravet Pune, during 03rd-08th October 2022. • Participated in the one week online FDP on "Deep Learning with Python" organized by Department of Information Technology, AISSMS, IOT, Pune from 19th-24th September 2022. • Participated and successfully completed one day Faculty Orientation Program (FOP) on "Web Technology & Web Technology Laboratory TE- Computer (2019 pattern)." organized in association with BoS Computer Engineering, SPPU, Pune & Department of Computer Engineering, K. K. Wagh Institute of Engineering Education & Research Centre, Nashik on 25th February 2022. • Participated in the five days online FDP on "Recent Trends in Data Analytics and Machine Learning" organized by Department of Computer Engineering Science & Technology, Vishwakarma University, Pune during 20th-23rd December 2021. • Participated in the two days online webinar series on "Life Skills and Mental Health" organized by Mechanical Engineering Department of Mahatma Gandhi's Mission College of Engineering and Technology, Navi Mumbai during 30th September to 1st October 2021. • Participated in One Week Short term training program (STTP) on

	<p>“Design and Development of IOT Applications using Raspberry Pi” organized by Information Technology Department of Sandip Institute of Technology & Research Centre, Nashik from 13th -17th November 2017.</p> <ul style="list-style-type: none"> Participated in 10 days training program on “Big Data Analytics” organized jointly DST, Government of India, under Big Data Initiative and Computer Department of Sandip Institute of Technology & Research Centre, Nashik from 2nd -11th May 2016 Participated in Two-day IT-SUMMIT-2016 on “Showcase to minimize Risks in R & D by Academic Alliance Program” organized by Computer & IT Department of Sandip Institute of Technology & Research Centre, Nashik from 12th & 13th March 2016. Attended Workshop on “SciLab for Beginners” from 05th- 07th April 2011 at Sandip Institute of Technology & Research Centre, Nashik.
Publications	<ul style="list-style-type: none"> Published paper on “Fake news detection using Machine Learning Approach” in International journal OAIJSE, Volume 4, Issue 3, March-2019 Published paper on “Review on IOT- Based Home Automation” in International journal IJAREST, Volume 2, Issue 3, October-2017
Research Papers	<p>International Journal = 02</p> <p>International Conference = Nil</p>
