## IEEE

2018 International Conference on Advances in Communication and Computing Technology (ICACCT)

Certificate of Appreciation

This is to certify that Dr./Prof/Mr./Mrs./Miss

Meghna Pagare

has presented the paper entitled

Low-Rank and Sparse Representation for Anomaly Detection in Hyperspectral Images

at **2018 International Conference on Advances in Communication and Computing Technology (ICACCT)**, technically sponsored by IEEE Bombay section and organized by **Department of Electronics and Telecommunication Engineering, Amrutvahini College of Engineering, Sangamner**, Maharashtra, India during February 8th-9th, 2018.

Labade

Dr. R. P. Labade
Conference Chair, ICACCT 2018

Dr. M. A. Venkatesh
General Chair, ICACCT 2018

Organized by
Amrutvahini Sheti & Shikshan Vikas Sanstha's
Amrutvahini College of Engineering, Sangamner
Department of Electronics and Telecommunication Engineering
Address: Sangamner – 422608 Dist. Ahmednagar (Maharashtra-India)
Tel: (02425) 259015/16/17/18 259148(P) Website: www.avcoe.org

Technically Sponsored By
IEEE
BOMBAY SECTION

In Association With

M T T-S

IEEE Antennas and Propagation Society
